Newborn Screening For Your Baby's Health

If my new baby has a disease, will my future children have it? That depends on the disease Most of these diseases are genetic and inherited by children from their parents A negative newborn screen does not guarantee that future children will not have the disease Also, newborn screening does NOT

My Child and I Attachment for Life - Best Start

The arrival of a new baby is a happy event, but it can also be a cause of stress: • Will I be a good parent? • Will I be able to form an attachment with my child? • Will I be able to give him what he needs? • Will he be able to grow into a happy, independent adult? Most babies have some in-born behaviours that keep adults who care for them close by Through these behaviours, the first
