

## Timber window collection

At this year's Ecobuild **BLACK MILLWORK** will be exhibiting its new collection of self branded windows and doors, as well as highlighting its Andersen and Eagle portfolios.

Black Millwork's own brand of timber windows offer high performance in terms of structural integrity and durability, says the firm. The range, featured on **STAND 385**, includes storm proof wood and flush casement

windows, double hung sliding sash, bi-fold doors, H Frame, and tilt and turn windows.
